

JUST FRIENDS SONG LIST

Other bands play some of what we do. No one plays everything we do. We take pride in our ability to learn any requests, whether for special occasions or just because it's what you want to hear. If you don't see your song here, give us the title and leave the rest to us. Just as no two audiences are exactly alike, each Just Friends performance is a unique selection of songs designed to entertain, surprise and keep the dancers happy.
